(Signature is acceptance of current required codes, terms and policies defined on the second page of application.)

BUILDING CODE IN EFFECT IS THE 2015 EDITION OF THE INTERNATIONAL BUILDING CODES WITH THE 2015 STATE OF UTAH AMENDMENTS

Washington City Ordinance Chapter 5 Construction Contractors Section 3-5-3: Requirements: Any person desiring to engage in business as a contractor within the corporate limits of the city must comply with the two (2) following requirements:

A. Registration: Prior to engaging in any subject business activity during any calendar year, he must register for the year as a contractor in the office of the City Recorder.

B. License: Prior to the performance of any services in connection with any specific contract or job, the person shall secure a license to engage in the performance of service connected with said job or contract from the office of the City Recorder.

2015 IBC 111.1

2015 IRC Sec. R110-Certificate of Occupancy: No building or structure shall be used or occupied until the building official has issued a Certificate of Occupancy.

2015 IBC 105.3.2

2015 IRC Sec. R105.3.2 Time limit of application: An application for a permit for any proposed work shall be deemed to have been abandoned 180 days after the date of filing unless such application has been pursued in good faith or a permit has been issued.

2015 IBC 105.5

2015 IRC Sec. 105.5 permit expiration: Permit will expire if work does not commence within 180 days of issuance, or if work authorized on the site is suspended or abandoned for a period of 180 days after the time the work is commenced. Expired permits will require a fee of up to double original permit fees to reactivate the permit.

Washington City Bldg Dept Inspection Policy: All permits require a final inspection for completion. Contractor, Authorized Agent or Owner Builder is responsible to contact the Bldg. Dept. to schedule required inspections.

Washington City Building Dept Site Signage Policy: All permits issued for any construction require posting the address, lot number and permit number on the job site at the start of construction. Furthermore an approved set of plans is required on the job site for all inspections. Failure to post this information could result in missed inspections. If an Inspection Card and Tube are provided with the permit they must be returned to the Washington City Building Dept before a CO is issued.

To Be Completed By Washington City Building Department
