**Please Read: Portions of the home that are fenced/enclosed, such as back and side yards will not be checked. Our volunteers who conduct these checks will not enter into a fenced/enclosed area. We would encourage you to have a family member, friend or neighbor check those area of the property periodically. We will do a visual of the front of the home and areas that can be seen without entering into an enclosed area. Please notify your neighbors when going out of town for extended periods so they can be your eyes and ears as well and have them report any suspicious activities to our office at 435-634-5730.**
